## **Greetings from Senator Victor Oh**

I am pleased to extend my warmest greetings to everyone attending the Ottawa Canada-China Film Festival hosted by the Canada-China Friendship Society of Ottawa (CCFSO).

Since its inception, the CCFSO has been committed to its goal of helping Canadians learn about China and understand it better. The Ottawa Canada-China Film Festival shines a spotlight on the importance of the film industry in strengthening cross-cultural communication between fellow Canadians and members of the global community. It will provide the audience with an opportunity to learn more about the rich and vibrant culture and traditions of China through the creative medium of film. Such efforts undoubtedly promote values of mutual understanding and respect, which we as Canadians, hold so near and dear.

I would like to commend the CCFSO for their ongoing efforts in fostering cross-cultural communications and people-to-people ties between Canada and China. I would also like to thank all organizers, sponsors and volunteers who contributed to making this event a success.

Please accept my best wishes for a memorable festival.

Sincerely,
