## Letter of Thanks

Feb 8, 2020

Canada-China Friendship Society,

I am writing to thank you for your understanding and support during the time of crisis when the Chinese people are fighting the new coronavirus. Your help and encouragement are greatly appreciated and will always be remembered.

The new type of coronavirus is human being's common enemy. It is a challenge faced by us all. Although it is a tough battle, we are confident that under the leadership of the CPC and the Chinese government, we will eventually defeat the virus for people's wellbeing, along with the international community.

Meanwhile, we look forward to continuing working with you to promote friendship between our two countries.

I would like to thank you again for your help with a feeling of gratitude.

With warm regards,

Beijing People's Association for Friendship with Foreign Countries
